## A-HES Subsidy

### FINANCIAL AGREEMENT BETWEEN EHL AND HES-SO

The financial agreement between EHL and the Haute Ecole Spécialisée de Suisse occidentale (HES-SO) states that the HES-SO will cover part of the tuition fees of eligible students. According to this agreement, tuition fees invoiced to these students is limited to CHF 700 per academic semester, the remainder being paid by the HES-SO. This measure is effective from the first year of the Master's in Hospitality Management program.

### HEALTH INSURANCE

Basic health and accident insurance is mandatory by law in Switzerland. Students whose fiscal residence – or whose parents' fiscal residence – is outside of Switzerland are automatically enrolled in EHL's health and accident insurance plan. An exemption may be obtained by providing proof of adequate coverage to the Swiss authorities. (e.g: European health insurance card). The annual premium of CHF 1'620 is subject to change.

### SWISS RESIDENCE TAX & VISA EXPENSES

Administrative taxes are collected by the Swiss authorities for residence permits and visas. The fees may vary depending on the nationality of the student. A tourist tax of CHF 37.- per month will be invoiced to students whose legal address is not in Switzerland (legal obligation). It will be charged by the school for students who are living on campus and by the city of Lausanne for students who are not living on campus.

## ELIGIBILITY FOR A SUBSIDY

Aside from Swiss students whose parents live in Switzerland, other students may be eligible for an A-HES subsidy should they meet one of the below conditions at time of immatriculation:

- Students with Swiss nationality who live abroad or whose parents live abroad
- Refugees and stateless persons of age assigned to a canton in Switzerland
- Foreign students of age whose civil residence is located in Switzerland (excluding B permit for education purposes)
- Foreign students who have lived permanently for at least two years in the same canton in Switzerland, where they have had a full-time paid employment giving them financial independence without undertaking a training course at the same time
- Foreign students whose parents' or legal guardians' civil residence is located in Switzerland
- Foreign students whose parents live abroad and who have at least one parent working in the canton of Geneva and holding a G permit

The questionnaire determining the granting of an A-HES subsidy will be sent to students one month before the start of the 1<sup>st</sup> academic semester. The HES-SO is the intermediary, but it is ultimately the concerned Canton that determines whether or not it will cover the mentioned part of the tuition fees, according to the conditions set out in the Intercantonal agreement on universities of Applied Sciences (A-HES). The status defined at the beginning of the studies remains unchanged for the whole duration of studies at EHL. Should a student abandon his or her studies or fail before 15 October, depending on the half-year in progress, he/she will lose his/her funding and the HES-SO will stop contributing to tuition fees. In this case, the full amount of tuition fees for international students will be applicable and invoiced.

## Terms & Conditions of Payment

---

### DOWN PAYMENT

After confirmation of admission to EHL, students are required to pay a down payment on tuition fees of CHF 6'000 within 15 days in order to guarantee their place. This amount is non-refundable under any circumstances. This down payment amount is then deducted from the total amount due.

**Important note:** In addition to the down payment of CHF 6'000, Swiss authorities require students from outside the EU/EFTA to make an initial payment of CHF 18'000 before submitting a visa application. This amount will be deducted from the total amount due.

### INVOICING

The total amount of the compulsory fees is invoiced before the beginning of the academic program and payment is due within 30 days of receipt of invoice. EHL reserves the right to charge, upon expiry of the 30-day payment period, reminder expenses and interests on overdue payments. In addition, the following measures may be taken: block the student card, forbid the student to attend exams, start the intake or finally ex-matriculate the student.

In case of a withdrawal less than 10 working days before the start of the academic program or if students do not take up their place at the start of term or complete the academic program, students are charged the totality of compulsory fees as a lump sum (in accordance with Art. 160 & ff, Swiss Code of Obligations). This clause shall apply regardless of attributable fault, particularly in the event of sickness, accident, withdrawal, definitive academic failure, disciplinary suspension or expulsion or for any other reason.

Should a student suspend or repeat a part of the academic program, the latest official fees apply. An invoice shall be issued for the semester(s) to be joined or repeated, with the fee of the new session.

### DEPOSIT OF GUARANTEE (REIMBURSED AT THE END OF STUDIES)

A deposit of CHF 5'000 is required from all new students. This deposit covers any exceptional costs which may arise, for example from damage to rooms or materials. The deposit or the remainder will be reimbursed at the end of the student's studies at EHL. Interest earned on the deposit will accrue and be added to EHL's scholarship Foundation, as part of the institution's social responsibility policy for the education of students with financial difficulties.

These prices are defined based on the inflation rate forecasted by the Swiss National Bank (BNS). If there is a strong variation, EHL will make adjustments accordingly. For further information please consult our website: [www.ehl.edu](http://www.ehl.edu)
